## **COPYRIGHT INFRINGEMENT HOLD HARMLESS AGREEMENT**

Advertisers who submit advertising materials not created by My Media, Inc. or the Northeastern's design services are required to review and sign this agreement.

The use of third-party content sources, including artificial intelligence tools (such as design platforms and image generators), stock image services, and other digital media libraries, may involve licensing restrictions. Many such licenses do not extend to commercial or advertising use, which may create risk of copyright infringement.

To mitigate this risk, My Media, Inc. and the Northeastern require the following representation and indemnification:

*By submitting advertising content, the advertiser represents and warrants that they own all necessary rights to the content, including text, images, graphics, and any other included materials, or have secured all required licenses for commercial use.*

*The advertiser agrees to indemnify, defend, and hold harmless My Media, Inc. and the Northeastern, its employees, and affiliates from and against any and all claims, demands, damages, liabilities, costs, and expenses (including reasonable attorney's fees) arising out of or related to any alleged or actual infringement, misappropriation, or violation of rights associated with the submitted materials.*

*The Northeastern assumes no responsibility for verifying ownership or licensing of externally provided content and is not liable for any claims resulting from its publication.*

*Submission of advertising content constitutes acceptance of these terms.*
